Help the INSPIRE

Summer Youth Program

For the first time ever, our INSPIRE program will be hosting a Summer Youth Program. You can help this free, week-long program for all of the children who are part of the Inspire program by doing the following:

- 1.** In-Kind donations (Specifically Drinks and snacks: Water, Capri Sun, Granola Bars, Etc.) delivered to LCFS designated to INSPIRE Youth Program's Summer Camp
- 2.** Monetary donations to support the Lunch Meals that we will purchase for the children participating in the program. If you'd like to donate monetarily, please visit the donation page on our website and in the Additional Comments Section designate it to "Youth Summer Camp"

More information about the program: This will be a week filled with fun "camp" activities that most of the children have not experienced before. Our main focus will be introducing yoga to the children in hopes of teaching them new skills that can improve
