## INSPIRE Meet and Greet Event

The INSPIRE event was a success! Our team was able to host a day for our clients filled with outdoor games, a bounce house, food, and conversations!

We look forward to hosting more events that will allow us to connect with our clients and continue building strong relationships.

**Did you know?** INSPIRE is hosting a Summer Youth Program for the first time this Summer! We are currently accepting donations to help support the meals that will be provided for the children in the program. If you're interested in donating monetarily make sure to select INSPIRE as the Fund and include "Designate to Youth Summer Camp" in the additional comments section. You can also e-mail Paola to arrange a food donation or other essential items.
