

HOW TO HOST A FOOD DRIVE

Every can and box collected helps local families put meals on the table. By hosting a food drive, your organization can make a real difference for families served by The Sharing Place Food Pantry at Lutheran Child & Family Services.

HOW YOU CAN HELP:

Plan Your Drive

Choose your dates, set a collection goal, and decide where you'll collect items. (1–3 weeks is ideal!)

Connect with Us

Contact spstaff@lutheranfamily.org and access the online resources at www.lutheranfamily.org.

Spread the Word

Share your drive on social media, email, and bulletin boards. Use hashtags like #FightHunger and #NeighborsHelpingNeighbors.

Collect Donations

Encourage nonperishable, nutritious foods: canned proteins, peanut butter, pasta, rice, cereal. Friendly competition between teams or departments keeps energy high!

Deliver & Celebrate

Drop off your collected items at The Sharing Place, 6501 Sunnyside Road, Indianapolis (Lawrence) or schedule a pick-up at 317-760-0420
