

Dear Friends and Supporters,

This week we would like to thank our volunteers who came out a few weeks ago to help replace the coverings on the chairs in our chapel.

Over the last year, these chairs that we received in 2011 were not able to be used nearly as much as we would have liked due to their material. This fabric material they originally had made it difficult to clean and ensure safe use.

Thanks to a grant from the United Way of Central Indiana - now these chairs have a safe vinyl material that allows for easy cleaning between services.

Our very own Brady Gurganious and 11 volunteers worked over the course of an hour and a half to replace 75 chair seats and backs. These volunteers came together from all around the Lutheran community to help with this task.

Thank you to everyone who came out and helped make our facilities as safe as possible for our staff, clients, and visitors!
