Dear Friends and Supporters,

Back-to-school season is here, and whether you’re a parent or a student it is an exciting time!

As we approach a second school year in the midst of the continuing COVID-19 pandemic we hope that you all stay safe and healthy. Our best wishes and prayers go out especially to those teachers working hard to provide education to our youth.

On the Lutherwood campus we recently formed a youth council where leaders of each center are chosen and come together to voice their opinions about what is happening on campus.

The group was able to piece together a back-to-school party a few weeks ago. The party was 80s themed and full of fun games, a taco bar, and more! We can’t wait to see what else the council will do this year!

Again, we thank the educators working hard this year and hope everyone has a safe school year!
