

Dear Friends and Supporters,

The staff and volunteers at the Sharing Place are certainly keeping busy! **The Sharing Place remains open with regular hours of operation.** We recently were able to purchase several new shopping carts that have been a great help as we continue with our “curbside” pick-up system. **Our “Second Saturday” this month is June 13, 2020** – we hope to be able to enhance the regular second Saturday fresh food distribution with additional key hygiene items, such as toilet paper, dish detergent, shampoo, and bleach/cleaning sprays.

## WISH LIST:

- **Food**  
(Dry Pasta and Spaghetti Sauce)
- **Hygiene products**  
(Toilet paper, dish detergent, shampoo, bleach/cleaning sprays)
- **Cleaning & Safety Supplies**  
(Clorox Wipes, Paper Towels, Gloves)

We continue to see a considerable need for supplemental food in our community. **We are grateful to partner with Gleaners, Midwest Food Bank, and many others to replenish the shelves!** If you can help with in-kind donations, please see our wish list! Please contact Phil via e-mail at [SharingPlace@lutheranfamily.org](mailto:SharingPlace@lutheranfamily.org) for more information about donation drop-off procedures and times.

Recently, **we received a HUGE box of in-kind donations from Second Helpings!** The box was so large it took Jamesetta and three volunteers over 2 hours to sort and package all the food. As you can see, the delivery included all sorts of items, including canned goods, crackers, chips, and more!

**Special thanks to our Sharing Place volunteer driver Kirk Williams who made this “special delivery” to the Sharing Place.** Kirk is also a Second Helpings volunteer – WOW! **We really appreciate his dedication to fighting food insecurity!**
